Respected Sir,

As per vide letter no. CBSE/Aff./1130115 (55-00293-08-09) 109943 dated 14th January 2008, the nominated convener Ms. Shymala, the Deputy Commissioner, Navodaya Sangathan, Pune and the member of inspection team Mrs. D.S. Srivastava, Principal, Rajhans Vidyalaya ,Andheri, Mumbai inspected our school infrastructures, laboratories and necessary documents on 08.03.2008.

As we had applied for No due certificate from State/Education Dept. in connection with CBSE +2 upgradation, we have received on 27.03.2008 . The same we are sending here with for your kind consideration and further necessary action.

The Nuclear Power Generation programme under dept. of Atomic Energy Govt. of India is viable alternative for energy security of the country; there is a huge expansion programme in anvil. As a result of which a large number of officials are required to move from one centre to another centre in different state on administrative grounds. Hence there is a need of CBSE+2 w.e.f. the session 2008-2009.

Submitted for kind consideration and sanction for up gradation of Atomic Energy Central School-3 Tarapur upto +2 stage with effect from the academic session 2008-09.

Thanking you,
